# From the CEO's Desk

As the year draws to a close, we reflect on the joy and meaning of home, a place where life unfolds, memories are made, and dreams take shape. At Provident, we are grateful to be a part of your journey, whether you are already living in a home we have built or eagerly looking forward to stepping into one that's taking shape.

A home is more than a structure, it's where warmth resides, where laughter fills the rooms, and where moments become milestones. For those whose homes are still being built, we share in your excitement and are committed to crafting spaces where your future will unfold beautifully.

This season is a time for gratitude, togetherness, and hope, a reminder of all we have accomplished and the possibilities ahead.

As we enter the new year, we look forward to welcoming you into spaces designed to bring comfort, joy, and lasting memories.

May this season bring warmth, happiness, and peace to you and your loved ones. And may the coming year be filled with new beginnings, cherished moments, and the fulfillment of dreams waiting to come home. Thank you for trusting us to build not just houses, but homes filled with life and love. Here's to a bright new year of shared journeys and continued success!

*Sincerely,  
Mallanna Sasalu*

# Heartwarming Delights for Chilly Days

Cold weather calls for bold flavours and comforting meals. This smoky, spicy winter recipe is easy to make and perfect for cosy family dinners.

## Tortilla Soup

### Ingredients:

- 2 tbsp vegetable oil
- 1 medium onion, finely chopped
- 3 garlic cloves, minced
- 1 tsp smoked chilli flakes
- 1 tsp ground cumin
- 1/2 tsp Kashmiri red chilli powder
- 4 cups vegetable stock
- 1 (400 g) diced tomatoes
- 1 (400 g) can black beans
- 1 cup corn kernels (fresh, frozen, or canned)
- Salt to taste
- Juice of 1 lime

### Toppings:

- Tortilla chips
- Fresh coriander, chopped
- Diced avocado
- Grated cheese
- A dollop of fresh cream or plain yoghurt
- Lime wedges

### Directions

Heat the oil in a large pot over medium heat. Add the onion and cook until softened (about 5 minutes). Add the garlic and cook for another minute until fragrant. Stir in the chilli flakes, ground cumin, and Kashmiri red chilli powder. Cook for 1-2 minutes to release the flavours.

Add the vegetable stock, diced tomatoes, black beans (or rajma), and corn. Stir everything together and bring to a gentle simmer. Taste and adjust with salt. Let the soup simmer for 10-15 minutes to allow the flavours to meld. Squeeze in lime juice just before turning off the heat.

Ladle the soup into bowls and garnish with tortilla chips, fresh coriander, diced avocado, grated cheese, and a dollop of cream or yoghurt. Serve with lime wedges for extra zest.
